

GLOBAL VISA CHECKLIST — 195 COUNTRIES

Indian Ordinary Passport Holders | Tourist / Visitor Travel | 2026 Working Reference

Purpose: A master operating document for a travel/visa desk. It covers the 193 UN member states plus Palestine and Vatican City as commonly used sovereign-country reference points. Requirements, fees, appointment availability and processing times can change without notice. Exact live government fees should be checked before quoting a client.

Important source note: India's Ministry of External Affairs publishes a current "Visa facility for Indian Nationals (ordinary passport holders)" reference covering e-Visa, visa-free and visa-on-arrival facilities. The MEA page currently lists, among other examples, Australia, Japan, Indonesia, Kenya, Malaysia, New Zealand, Singapore, South Korea, Thailand, Vietnam and many African destinations under electronic/arrival facilities. Ethiopia is specifically noted as offering e-Tourist Visa and Visa on Arrival to Indian ordinary-passport holders, with e-Tourist processing generally taking 3 working days.
